Field Operations Memo 2009-46
August 4, 2009

To: Transitional Assistance Office Staff
From:  John Augeri, Assistant Commissioner for Field Operations
Re: SNAP: Federal Minimum Wage Increase

Overview

Field Operations Memo 2007-38 described increases in the federal minimum wage that began in July 2007 and have continued through July 2009. On July 24, 2008 the federal minimum wage increased to \$6.55. On July 24, 2009 the federal minimum wage increased to \$7.25.

Purpose

The purpose of this memo is to inform case managers of the July 24, 2009 increase and its effect on SNAP E&T requirements. TAFDC and EAEDC policy are not affected by this change.

**Meeting SNAP
E&T Requirement**

In accordance with 106 CMR 362.310 (B)(10), *Exemption from SNAP E&T Requirement*, persons employed or self-employed may be exempt if working a minimum of 30 hours weekly or receiving weekly earnings equal to or greater than the federal minimum wage multiplied by 30 hours. As of July 24, 2009, in order to meet the SNAP E&T requirement exemption, the average weekly gross income of the employed person(s) must be equal to or greater than \$217.50 weekly (\$7.25 x 30) or \$942.42 monthly (\$217.50 x 4.333). Case managers must review this requirement at intake and recertification.

Questions

If you have any questions, please have your Hotline designee call the Policy Hotline.
